

Albahealth® Patient Safety Footwear

Albahealth is the leader in healthcare patient safety footwear and is committed to improving patient outcomes, one step at a time. We are the premier healthcare knitting manufacturer in the United States and our mission is to create innovative, high quality footwear products to aid in Falls Prevention. Our extensive product offering allows us to provide footwear solutions for all patient and resident needs.

albahealth

Improving patient outcomes

ALBAHEALTH®

Our Albahealth products have led the market for over 25 years, providing premium slip-resistant footwear focused on patient comfort and safety. We offer over 10 unique brands of Patient Safety Footwear. Although each has distinct features, they all provide top-of-the line slip-resistance to aid in fall prevention.

Proper fall prevention protocol and products are at the forefront of hospital care based on recommendations by industry leaders such as The Joint Commission and CMS. Our product offering provides solutions for patient identification and preventive measures and can easily be implemented into fall prevention programs customized for your facility.

Safe-Steps® Fall Risk Management Kits

Safe-Steps Fall Risk Management Kits provide a convenient prepackaged product offering for falls prevention. Components include: stickers, magnets, bracelets, footwear, patient gowns, and a patient throw blanket. The patient throw blanket is available in the premium kit.

- Confetti Treads® Patient Safety Footwear features top of the line slip-resistance and 360° protection with a unique all-around tread profile.
- Stickers, magnets, bracelets support increased visibility in doorways, on charts, wallboards, as well as during department transfers.
